

DIRTY DICE GAME RULES

A couples game for two adults (18+). Two dice, one rule: do what they say. Print, cut, keep it in the drawer.

HOW TO PLAY

1. **Agree the limits** for tonight and pick a stop word.
2. **Roll both dice.** The action die says *what*, the body part die says *where*.
3. **Do it to your partner** for 10 seconds to a minute.
4. **Pass the dice.** Take turns until one of you calls time.

HOUSE RULES

- Anyone can re-roll anything, no reason needed.
- The stop word ends the game. No sulking.
- "Your pick" means the roller chooses.
- Start on the Mild dice. Move up only when you both say so.

WANT MORE?

- **Add the third die** on page 5: time (10 seconds to "until I say stop").
- **Swap who chooses:** the roller's partner picks the body part, the roller picks the action.
- **No dice?** Roll in your browser at riekapps.com/play/dirty-dice, free, 105 dares, no download.

✂ Cut out pocket rules cards: keep one, give the rest away
